

Department of the Environment, Food and Rural Affairs Approved Equine Semen Collection Centre
(UK/9025/EC)

DECLARATION OF HEALTH STATUS OF THE STALLION

.....
Stallion's Name

To the best of my belief and as far as I can ascertain:

1. Neither the above-named stallion nor his dam has been infected with *Taylorella equigenitalis*.
2. During the past 60 days, the above-named stallion has not been in contact with any animal suffering from Contagious Equine Metritis or Equine Viral Arteritis.
3. The above-named stallion originates from premises which, for the past 60 days, have not had any cases of Contagious Equine Metritis or Equine Viral Arteritis.
4. The above-named stallion has not, for at least the past 30 days, been in contact with equidae suffering from any contagious disease.

SIGNATURE.....(RCVS)
(Stallion's regular veterinary surgeon)

NAME *(in capitals)*.....

PRACTICE ADDRESS:

DATE..... 200.....
(To be dated within 36 hours of the stallion's admission to the Collection Centre)
